IN UMBRA CARDUI VIOLAE VALESCANT

"In the thistle's shadow, violets grow stronger."

A Message from the President and CEO

Tartan Day will soon be upon us. Let's all get involved with something Scottish on this very important day on our calendar, whether it be flag-raising, a parade, a luncheon, a radio interview, etc. The majority of members will find a Tartan Day celebration in a venue near you, and I urge you to take part; it is our heritage to enjoy.

As well, summer (and Highland Games and Scottish Festival season) will soon be upon us. We should attend as many of these events as we can. If we don't celebrate our culture and heritage, who will?

I am pleased to report that the Scottish Portal Project is well under way, the advisory committee for which is being chaired by Mr. Dan Taylor. This is a massive undertaking, and Dan needs everyone's help with this very important Project.

Happy Tartan Day!

Yours in everything Scottish,

Llewellyn Smith
